

Perhaps the biggest test of our foresight and courage will be reforming Medicare and Social Security.

Medicare's finances are strained, and its coverage is outdated. Ninety-nine percent of employer-provided health plans offer some form of prescription drug coverage. Medicare does not. The framework for reform has been developed by Senators FRIST and BREAUX and Congressman THOMAS; and now is the time to act. Medicare must be modernized. And we must make sure that every senior on Medicare can choose a health care plan that offers prescription drugs.

Seven years from now, the baby boom generation will begin to claim Social Security benefits. Everyone in this Chamber knows that Social Security is not prepared to fully fund their retirement. And we only have a couple of years to get prepared. Without reform, this country will one day awaken to a stark choice: either a drastic rise in payroll taxes or a radical cut in retirement benefits. There is a better way.

This spring I will form a Presidential commission to reform Social Security. The commission will make its recommendations by next fall. Reform should be based on these principles: It must preserve the benefits of all current retirees and those nearing retirement. It must return Social Security to sound financial footing, and it must offer personal savings accounts to younger workers who want them.

Social Security now offers workers a return of less than 2 percent on the money they pay into the system. To save the system, we must increase that by allowing younger workers to make safe, sound investments at a higher rate of return.

Ownership, access to wealth, and independence should not be the privilege of a few. They are the hope of every American, and we must make them the foundation of Social Security.

By confronting the tough challenge of reform, by being responsible with our budget, we can earn the trust of the American people. And we can add to that trust by enacting fair and balanced election and campaign reforms.

The agenda I have set before you tonight is worthy of a great Nation. America is a Nation at peace, but not a Nation at rest. Much has been given to us, and much is expected.

Let us agree to bridge old divides. But let us also agree that our goodwill must be dedicated to great goals. Bipartisanship is more than minding our manners, it is doing our duty.

No one can speak in this Capitol and not be awed by its history. At so many turning points, debates in these chambers have reflected the collected or divided conscience of our country. And when we walk through Statuary Hall and see those men and women of mar-

ble, we are reminded of their courage and achievement.

Yet America's purpose is never found only in statues or history. America's purpose always stands before us.

Our generation must show courage in a time of blessing as our Nation has always shown in times of crisis. And our courage, issue by issue, can gather to greatness and serve our country. This is the privilege and responsibility we share. And if we work together, we can prove that public service is noble.

We all came here for a reason. We all have things we want to accomplish and promises to keep. Juntos podemos, together we can. We can make Americans proud of their government. Together we can share in the credit of making our country more prosperous and generous and just, and earn from our conscience and from our fellow citizens, the highest possible praise: well done, good and faithful servants.

Thank you all. Good night. And God bless.

(Applause, the Members rising.)

At 9 o'clock and 59 minutes p.m. the President of the United States, accompanied by the committee of escort, retired from the Hall of the House of Representatives.

The Deputy Sergeant at Arms escorted the invited guests from the Chamber in the following order:

The members of the President's Cabinet;

An Associate Justice of the Supreme Court of the United States;

The Acting Dean of the Diplomatic Corps.

PRINTING OF A REVISED EDITION OF BLACK AMERICANS IN CONGRESS, 1870-1989

The SPEAKER pro tempore. Under a previous order of the House, the gentleman from Maryland, (Mr. HOYER) is recognized for 5 minutes.

Mr. HOYER. Mr. Speaker, with the co-sponsorship of 44 of our colleagues, I have today

introduced a concurrent resolution providing for the printing of a revised edition of the House document entitled *Black Americans in Congress, 1870-1989*.

The latest edition of this handsome work, published in 1990, contains brief biographies, photographs or sketches, and other important historical information about the 66 distinguished African-Americans who had served in either house of Congress as of January 23, 1990. An analysis of the membership of the six subsequent Congresses reveals that, as of today, an additional 40 distinguished African-Americans have served since the last edition. Moreover, several of the distinguished Members depicted in the last edition continued to serve in this House, and their biographies require appropriate updates. Clearly, the time has come to revise and reprint this important historical work.

My concurrent resolution directs the Library of Congress to revise the volume under the direction of the Committee on House Administration. The resolution provides for the printing of a number of copies of the volume, in a suitable binding, for distribution to Members of both houses as determined by the Committee on House Administration and the Senate Committee on Rules and Administration.

Mr. Speaker, the 1976 and 1990 editions of *Black Americans in Congress* have been a tremendous source of historical information for Members, scholars, students, and others about the distinguished African-Americans who have served their countrymen in the halls of the Senate and House of Representatives. The next edition will doubtless similarly become a tremendous resource, and a treasured addition to libraries across this land. I urge the Members to support my concurrent resolution.

PUBLICATION OF THE RULES OF THE COMMITTEE ON INTERNATIONAL RELATIONS 107TH CONGRESS

The SPEAKER pro tempore. Under a previous order of the House, the gentleman from Illinois (Mr. HYDE) is recognized for 5 minutes.

Mr. HYDE. Mr. Speaker, pursuant to the provisions of Rule XI of the Rules of the House, I submit for printing in the RECORD the Rules of the Committee on International Relations which were adopted by the committee on this date.

RULES OF THE COMMITTEE ON INTERNATIONAL RELATIONS, 107TH CONGRESS

(Adopted February 14, 2001)

RULE 1. GENERAL PROVISIONS

The Rules of the House of Representatives, and in particular, the committee rules enumerated in clause 2 of Rule XI, are the rules of the Committee on International Relations (hereafter referred to as the "Committee"), to the extent applicable. A motion to recess from day to day, and a motion to dispense with the first reading (in full) of a bill or resolution, if printed copies are available, is a privileged non-debatable motion in Committee.

The Chairman of the Committee on International Relations (hereinafter referred to as the "Chairman") shall consult the Ranking Minority Member to the extent possible with respect to the business of the Committee.

Each subcommittee of the Committee is a part of the Committee and is subject to the authority and direction of the Committee, and to its rules to the extent applicable.

RULE 2. DATE OF MEETING

The regular meeting date of the Committee shall be the first Tuesday of every month when the House of Representatives is in session pursuant to clause 2(b) of Rule XI of the House of Representatives. Additional meetings may be called by the Chairman as he may deem necessary or at the request of a majority of the Members of the Committee in accordance with clause 2(c) of Rule XI of the House of Representatives.

The determination of the business to be considered at each meeting shall be made by the Chairman subject to clause 2(c) of Rule XI of the House of Representatives.

A regularly scheduled meeting need not be held if, in the judgment of the Chairman, there is no business to be considered.

RULE 3. QUORUM

For purposes of taking testimony and receiving evidence, two Members shall constitute a quorum.

One-third of the Members of the Committee shall constitute a quorum for taking any action, except: (1) reporting a measure or recommendation, (2) closing Committee meetings and hearings to the public, (3) authorizing the issuance of subpoenas, and (4) any other action for which an actual majority quorum is required by any rule of the House of Representatives or by law.

No measure or recommendation shall be reported to the House of Representatives unless a majority of the Committee is actually present.

A record vote may be demanded by one-fifth of the Members present or, in the apparent absence of a quorum, by any one Member.

RULE 4. MEETINGS AND HEARINGS OPEN TO THE PUBLIC

(a) Meetings

Each meeting for the transaction of business, including the markup of legislation, of the Committee or a subcommittee shall be open to the public except when the Committee or subcommittee, in open session and with a majority present, determines by record vote that all or part of the remainder of the meeting on that day shall be closed to the public, because disclosure of matters to be considered would endanger national security, would compromise sensitive law enforcement information, or would tend to defame, degrade or incriminate any person or otherwise violate any law or rule of the House of Representatives. No person other than Members of the Committee and such congressional staff and departmental representatives as they may authorize shall be present at any business or markup session which has been closed to the public. This subsection does not apply to open Committee hearings which are provided for by subsection (b) of this rule.

(b) Hearings

(1) Each hearing conducted by the Committee or a subcommittee shall be open to the public except when the Committee or subcommittee, in open session and with a majority present, determines by record vote that all or part of the remainder of that hearing on that day should be closed to the public because disclosure of testimony, evidence or other matters to be considered would endanger the national security, would compromise sensitive law enforcement information, or otherwise would violate any law

or rule of the House of Representatives. Notwithstanding the preceding sentence, a majority of those present, there being in attendance the requisite number required under the rules of the Committee to be present for the purpose of taking testimony—

(A) may vote to close the hearing for the sole purpose of discussing whether testimony or evidence to be received would endanger the national security, would compromise sensitive law enforcement information, or violate paragraph (2) of this subsection; or

(B) may vote to close the hearing, as provided in paragraph (2) of this subsection.

(2) Whenever it is asserted by a Member of the Committee that the evidence or testimony at a hearing may tend to defame, degrade, or incriminate any person, or it is asserted by a witness that the evidence or testimony that the witness would give at a hearing may tend to defame, degrade, or incriminate the witness—

(A) such testimony or evidence shall be presented in executive session, notwithstanding the provisions of paragraph (1) of this subsection, if by a majority of those present, there being in attendance the requisite number required under the rules of the Committee to be present for the purpose of taking testimony, the Committee or subcommittee determines that such evidence or testimony may tend to defame, degrade, or incriminate any person; and

(B) the Committee or subcommittee shall proceed to receive such testimony in open session only if the Committee, a majority being present, determines that such evidence or testimony will not tend to defame, degrade, or incriminate any person.

(3) No Member of the House of Representatives may be excluded from nonparticipatory attendance at any hearing of the Committee or a subcommittee unless the House of Representatives has by majority vote authorized the Committee or subcommittee, for purposes of a particular series of hearings, on a particular article of legislation or on a particular subject of investigation, to close its hearings to Members by the same procedures designated in this subsection for closing hearings to the public.

(4) The Committee or a subcommittee may be the procedure designated in this subsection vote to close 1 subsequent day of hearing.

(5) No congressional staff shall be present at any meeting or hearing of the Committee or a subcommittee that has been closed to the public, and at which classified information will be involved, unless such person is authorized access to such classified information in accordance with Rule 20.

RULE 5. ANNOUNCEMENT OF HEARINGS AND MARKUPS

Public announcement shall be made of the date, place, and subject matter of any hearing or markup to be conducted by the Committee or a subcommittee at the earliest possible date, and in any event at least 1 week before the commencement of that hearing or markup unless the Committee or subcommittee determines that there is good cause to begin that meeting at an earlier date. Such determination may be made with respect to any markup by the Chairman or subcommittee chairman, as appropriate. Such determination may be made with respect to any hearing of the Committee or of a subcommittee by its Chairman, with the concurrence of its Ranking Minority Member, or by the Committee or subcommittee by majority vote, a quorum being present for the transaction of business.

Public announcement of all hearings and markups shall be published in the Daily Digest portion of the Congressional Record. Members shall be notified by the Chief of Staff of all meetings (including markups and hearings) and briefings of subcommittees and of the full Committee.

The agenda for each Committee and subcommittee meeting, setting out all items of business to be considered, including whenever possible a copy of any bill or other document scheduled for markup, shall be furnished to each Committee or subcommittee member by delivery to the member's office at least 23 hours (excluding Saturdays, Sundays, and legal holidays) before the meeting. Bills or subjects not listed on such agenda shall be subject to a point of order unless their consideration is agreed to by a two-thirds vote of the Committee or subcommittee or by the Chairman and Ranking Minority Member of the Committee or subcommittee.

RULE 6. WITNESSES

(a) Interrogation of Witnesses

(1) Insofar as practicable, witnesses shall be permitted to present their oral statements without interruption subject to reasonable time constraints imposed by the Chairman, with questioning by the Committee Members taking place afterward. Members should refrain from questions until such statements are completed.

(2) In recognizing Members, the Chairman shall, to the extent practicable, give preference to the Members on the basis of their arrival at the hearing, taking into consideration the majority and minority ratio of the members actually present. A Member desiring to speak or ask a question shall address the Chairman and not the witness.

(3) Subject to paragraph (4), each Member may interrogate the witness for 5 minutes, the reply of the witness being included in the 5-minute period. After all Members have had an opportunity to ask questions, the round shall begin again under the 5-minute rule.

(4) Notwithstanding paragraph (3), the Chairman, with the concurrence of the Ranking Minority Member, may permit one or more majority members of the Committee designated by the Chairman to question a witness for a specified period of not longer than 30 minutes. On such occasions, an equal number of minority members of the Committee designated by the Ranking Minority Member shall be permitted to question the same witness for the same period of time. Committee staff may be permitted to question a witness for equal specified periods either with the concurrence of the Chairman and Ranking Minority Member or by motion. However, in no case may questioning by Committee staff proceed before each Member of the Committee who wishes to speak under the 5-minute rule has had one opportunity to do so.

(b) Statements of Witnesses

Each witness who is to appear before the committee or a subcommittee is required to file with the clerk of the Committee, at least two working days in advance of his or her appearance, sufficient copies, as determined by the Chairman of the Committee or subcommittee, of his or her proposed testimony to provide to Members and staff of the Committee or subcommittee, the news media, and the general public. The witness shall limit his or her oral presentation to a brief summary of his or her testimony. In the case of a witness appearing in a nongovernmental capacity, a written statement of proposed testimony shall, to the extent practicable,

include a curriculum vitae and a disclosure of the amount and source (by agency and program) or any Federal grant (or subgrant thereof) or contract (or subcontract thereof) received during the current fiscal year or either of the two previous fiscal years by the witness or by an entity represented by the witness, to the extent that such information is relevant to the subject matter of, and the witness' representational capacity at, the hearing.

To the extent practicable, each witness should provide the text of his or her proposed testimony in machine-readable form, along with any attachments and appendix materials.

The Committee or subcommittee shall notify Members at least two working days in advance of a hearing of the availability of testimony submitted by witnesses.

The requirements of this subsection or any part thereof may be waived by the Chairman or Ranking Minority Member of the Committee or subcommittee, or the presiding Member, provided that the witness or the Chairman or Ranking Minority Member has submitted, prior to the witness's appearance, a written explanation as to the reasons testimony has not been made available to the Committee or subcommittee. In the event a witness submits neither his or her testimony at least two working days in advance of his or her appearance nor has a written explanation been submitted as to prior availability, the witness shall be released from testifying unless a majority of the committee or subcommittee votes to accept his or her testimony.

(c) Oaths

The Chairman, or any Member of the Committee designated by the Chairman, may administer oaths to witnesses before the Committee.

RULE 7. PREPARATION AND MAINTENANCE OF COMMITTEE RECORDS

An accurate stenographic record shall be made of all hearings and markup sessions. Members of the Committee and any witness may examine the transcript of his or her own remarks and may make any grammatical or technical changes that do not substantively alter the record. Any such Member or witness shall return the transcript to the Committee offices within 5 calendar days (not including Saturdays, Sundays, and legal holidays) after receipt of the transcript, or as soon thereafter as is practicable.

Any information supplied for the record at the request of a Member of the Committee shall be provided to the Member when received by the Committee.

Transcripts of hearings and markup sessions (except for the record of a meeting or hearing which is closed to the public) shall be printed as soon as is practicable after receipt of the corrected versions, except that the Chairman may order the transcript of a hearing to be printed without the corrections of a Member or witness if the Chairman determines that such Member or witness has been afforded a reasonable time to correct such transcript and such transcript has not been returned within such time.

The records of the Committee at the National Archives and Records Administration shall be made available for public use in accordance with Rule VII of the House of Representatives. The Chairman shall notify the Ranking Minority Member of any decision, pursuant to clause 3(b)(3) or clause 4(b) of the rule, to withhold a record otherwise available, and the matter shall be presented to the Committee for a determination on the

written request of any member of the Committee.

The Committee shall, to the maximum extent feasible, make its publications available in electronic form.

RULE 8. EXTRANEOUS MATERIAL IN COMMITTEE HEARINGS

No extraneous material shall be printed in either the body or appendixes of any Committee or subcommittee hearing, except matter which has been accepted for inclusion in the record during the hearing or by agreement of the Chairman and Ranking Minority Member of the Committee or subcommittee within five calendar days of the hearing. Copies of bills and other legislation under consideration and responses to written questions submitted by Members shall not be considered extraneous material.

Extraneous material in either the body or appendixes of any hearing to be printed which would be in excess of eight printed pages (for any one submission) shall be accompanied by a written request to the Chairman, such written request to contain an estimate in writing from the Public Printer of the probable cost of publishing such material.

RULE 9. PUBLIC AVAILABILITY OF COMMITTEE VOTES

The result of each record vote in any meeting of the Committee shall be made available for inspection by the public at reasonable times at the Committee offices. Such result shall include a description of the amendment, motion, order, or other proposition, the name of each Member voting for and against, and the Members present but not voting.

RULE 10. PROXIES

Proxy voting is not permitted in the Committee or in subcommittees.

RULE 11. REPORTS

(a) Reports on Bills and Resolutions

To the extent practicable, not later than 24 hours before a report is to be filed with the Clerk of the House on a measure that has been ordered reported by the Committee, the Chairman shall make available for inspection by all Members of the Committee a copy of the draft committee report in order to afford Members adequate information and the opportunity to draft and file any supplemental, minority or additional views which they may deem appropriate.

With respect to each record vote on a motion to report any measure or matter of a public character, and on any amendment offered to the measure or matter, the total number of votes cast for and against, and the names of those members voting for and against, shall be included in any Committee report on the measure or matter.

(b) Prior Approval of Certain Reports

No Committee, subcommittee, or staff report, study, or other document which purports to express publicly the views, findings, conclusions, or recommendations of the Committee or a subcommittee may be released to the public or filed with the Clerk of the House unless approved by a majority of the Committee or subcommittee, as appropriate. A proposed investigative or oversight report shall be considered as read if it has been available to members of the Committee for at least 24 hours (excluding Saturdays, Sundays, or legal holidays except when the House is in session on such a day). In any case in which clause 2(l) of Rule XI and clause 3(a)(1) of Rule XIII of the House of Representatives does not apply, each Member of the Committee or subcommittee shall

be given an opportunity to have views or a disclaimer included as part of the material filed or released, as the case may be.

(c) Foreign Travel Reports

At the same time that the report required by clause 8(b)(3) of Rule X of the House of Representatives, regarding foreign travel reports, is submitted to the Chairman, Members and employees of the committee shall provide a report to the Chairman listing all official meetings, interviews, inspection tours and other official functions in which the individual participated, by country and date. Under extraordinary circumstances, the Chairman may waive the listing in such report of an official meeting, interview, inspection tour, or other official function. The report shall be maintained in the full committee offices and shall be available for public inspection during normal business hours.

RULE 12. REPORTING BILLS AND RESOLUTIONS

Except in unusual circumstances, bills and resolutions will not be considered by the Committee unless and until the appropriate subcommittee has recommended the bill or resolution for Committee action, and will not be taken to the House of Representatives for action unless and until the Committee has ordered reported such bill or resolution, a quorum being present.

Except in unusual circumstances, a bill or resolution originating in the House of Representatives that contains exclusively findings and policy declarations or expressions of the sense of the House of Representatives or the sense of the Congress shall not be considered by the Committee or a subcommittee unless such bill or resolution has at least 25 House co-sponsors, at least ten of whom are members of the Committee.

For purposes of this Rule, unusual circumstances will be determined by the Chairman, after consultation with the Ranking Minority Member and such other Members of the Committee as the Chairman deems appropriate.

RULE 13. STAFF SERVICES

(a) The Committee staff shall be selected and organized so that it can provide a comprehensive range of professional services in the field of foreign affairs to the Committee, the subcommittees, and all its Members. The staff shall include persons with training and experience in international relations, making available to the Committee individuals with knowledge of major countries, areas, and U.S. overseas programs and operations.

(b) Subject to clause 9 of Rule X of the House of Representatives, the staff of the Committee, except as provided in paragraph (c), shall be appointed, and may be removed, by the Chairman with the approval of the majority of the majority Members of the Committee. Their remuneration shall be fixed by the Chairman and they shall work under the general supervision and direction of the Chairman. Staff assignments are to be authorized by the Chairman or by the Chief of Staff under the direction of the Chairman.

(c) Subject to clause 9 of Rule X of the House of Representatives, the staff of the Committee assigned to the minority shall be appointed, their remuneration determined, and may be removed, by the Ranking Minority Member with the approval of the majority of the minority party Members of the Committee. No minority staff person shall be compensated at a rate which exceeds that paid his or her majority staff counterpart. Such staff shall work under the general supervision and direction of the Ranking Minority Member with the approval or consultation of the minority Members of the committee.

(d) The Chairman shall ensure that sufficient staff is made available to each subcommittee to carry out its responsibilities under the rules of the Committee. The Chairman shall ensure that the minority party is fairly treated in the appointment of such staff.

RULE 14. NUMBER AND JURISDICTION OF SUBCOMMITTEES

(a) Full Committee

The full Committee will be responsible for oversight and legislation relating to foreign assistance (including development assistance, security assistance, and Public Law 480 programs abroad) or relating to the Peace Corps; national security developments affecting foreign policy; strategic planning and agreements; war powers, treaties, executive agreements, and the deployment and use of United States Armed Forces; peacekeeping, peace enforcement, and enforcement of United Nations or other international sanctions; arms control, disarmament and other proliferation issues; the Agency for International Development; State and Defense Department activities involving arms transfers and sales, and arms export licenses; international law; promotion of democracy; international law enforcement issues, including terrorism and narcotics control programs and activities; export administration, licenses and licensing policy for the export of dual use equipment and technology, and other matters relating to international economic policy and trade; and all other matters not specifically assigned to a subcommittee. Each subcommittee is authorized to meet, hold hearings, receive evidence, and report to the Full Committee on all matters referred to it. Subcommittee chairmen shall set meeting dates after consultation with the Chairman, other subcommittee chairmen, and other appropriate Members, with a view towards minimizing scheduling conflicts. It shall be the practice of the Committee that meetings of subcommittees not be scheduled to occur simultaneously with meetings of the full Committee.

In order to ensure orderly administration and fair assignment of hearing and meeting rooms, the subject, time, and location of hearings and meetings shall be arranged in advance with the Chairman through the Chief of Staff of the Committee.

The Chairman of the full Committee shall designate a Member of the majority party on each subcommittee as its vice chairman.

The Chairman and the Ranking Minority Member may attend the meetings and participate in the activities of all subcommittees of which they are not members, except that they may not vote or be counted for a quorum in such subcommittees.

RULE 16. REFERRAL OF BILLS BY CHAIRMAN

In accordance with Rule 14 of the Committee and to the extent practicable, all legislation and other matters referred to the Committee shall be referred by the Chairman to a subcommittee of primary jurisdiction within 2 weeks. RULE 17. PARTY RATIOS ON SUBCOMMITTEES AND CONFERENCE COMMITTEES

The majority party caucus of the Committee shall determine an appropriate ratio of majority to minority party Members for each subcommittee. Party representation on each subcommittee or conference committee shall be no less favorable to the majority party than the ratio for the full Committee. RULE 18. SUBCOMMITTEE FUNDING AND RECORDS

(a) Each subcommittee shall have adequate funds to discharge its responsibility for legislation and oversight.

(b) In order to facilitate Committee compliance with clause 2(e)(1) of Rule XI of the House of Representatives, each subcommittee shall keep a complete record of all subcommittee actions which shall include a record of the votes on any question on which a record vote is demanded. The result of each record vote shall be promptly made available to the full Committee for inspection by the public in accordance with Rule 9 of the Committee.

(c) All subcommittee hearings, records, data, charts, and files shall be kept distinct from the congressional office records of the Member serving as chairman of the subcommittee. Authorized persons.—In accordance with the stipulations of the Rules of the House of Representatives, all Members of the House who have executed the oath required by clause 13 of Rule XXIII of the House of Representatives shall be authorized to have access to classified information within the possession of the Committee.

Members of the Committee staff shall be considered authorized to have access to classified information within the possession of the Committee when they have the proper security clearances, when they have executed the oath required by clause 13 of Rule

XXIV of the House of Representatives, and when they have a demonstrable need to know. The decision on whether a given staff member has a need to know will be made on the following basis:

(a) In the case of the full Committee majority staff, by the Chairman, acting through the Chief of Staff;

(b) In the case of the full Committee minority staff, by the Ranking Minority Member of the committee, acting through the Minority Chief of Staff;

(c) In the case of subcommittee majority staff, by the Chairman of the subcommittee;

(d) In the case of the subcommittee minority staff, by the Ranking Minority Member of the subcommittee.

No other individuals shall be considered authorized persons, unless so designated by the Chairman.

Designated persons.—Each Committee Member is permitted to designate one member of his or her staff as having the right of access to information classified confidential. Such designated persons must have the proper security clearance, have executed the oath required by clause 13 of Rule XXII of the House of Representatives, and have a need to know as determined by his or her principal. Upon request of a Committee Member in specific instances, a designated person also shall be permitted access to information classified secret which has been furnished to the Committee pursuant to section 36 of the Arms Export Control Act, as amended. Designation of a staff person shall be by letter from the Committee Member to the Chairman.

Location.—Classified information will be stored in secure safes in the Committee rooms. All materials classified top secret must be stored in a Secure Compartmentalized Information Facility (SCIF).

Handling.—Materials classified confidential or secret may be taken from Committee offices to other Committee offices and hearing rooms by Members of the Committee and authorized Committee staff in connection with hearings and briefings of the Committee or its Subcommittees for which such information is deemed to be essential. Removal of such information from the Committee offices shall be only with the permission of the Chairman under procedures designed to ensure the safe handling and storage of such information at all times. Except as provided in this paragraph, top secret materials may not be taken from the SCIF for any purpose, except that such materials may be taken to hearings and other meetings that are being conducted at the top secret level when necessary. Top secret materials may otherwise be used under conditions approved by the Chairman after consultation with the Ranking Minority Member.

Notice.—Appropriate notice of the receipt of classified documents received by the Committee from the executive branch will be sent promptly to Committee Members through the Survey of Activities or by other means.

Access.—Except as provided for above, access to materials classified top secret or otherwise restricted held by the Committee will be in the SCIF. The following procedures will be observed:

(a) Authorized or designated persons will be admitted to the SCIF after inquiring of the Chief of Staff or an assigned staff member. Access to the SCIF will be afforded during regular Committee hours.

(b) Authorized or designated persons will be required to identify themselves, to identify the documents or information they wish

to view, and to sign the Classified Materials Log, which is kept with the classified information.

(c) The assigned staff member will be responsible for maintaining a log which identifies (1) authorized and designated persons seeking access, (2) the classified information requested, and (3) the time of arrival and departure of such persons. The assigned staff members will also assure that the classified materials are returned to the proper location.

RULE 21. BROADCASTING OF COMMITTEE HEARINGS AND MEETINGS

All Committee and subcommittee meetings or hearings which are open to the public may be covered, in whole or in part, by television broadcast, radio broadcast, and still photography, or by any such methods of coverage in accordance with the provisions of clause 3 of House rule XI.

The Chairman or subcommittee chairman shall determine, in his or her discretion, the number of television and still cameras permitted in a hearing or meeting room, but shall not limit the number of television or still cameras to fewer than two representatives from each medium.

Such coverage shall be in accordance with the following requirements contained in Section 116(b) of the Legislative Reorganization Act of 1970, and clause 4 of Rule XI of the Rules of the House of Representatives:

(a) If the television or radio coverage of the hearing or meeting is to be presented to the public as live coverage, that coverage shall be conducted and presented without commercial sponsorship.

(b) No witness served with a subpoena by the Committee shall be required against his will to be photographed at any hearing or to give evidence or testimony while the broadcasting of that hearing, by radio or television is being conducted. At the request of any such witness who does not wish to be subjected to radio, television, or still photography coverage, all lenses shall be covered and all microphones used for coverage turned off. (e) Television cameras shall operate from fixed positions but shall not be placed in positions which obstruct unnecessarily the coverage of the hearing by the other media.

(f) Equipment necessary for coverage by the television and radio media shall not be installed in, or removed from, the hearing or meeting room while the committee or subcommittee is in session.

(g) Floodlights, spotlights, strobe lights, and flashgun shall not be used in providing any method of coverage of the hearing or meeting, except that the television media may install additional lighting in the hearing room, without cost to the Government, in order to raise the ambient lighting level in the hearing room to the lowest level necessary to provide adequate television coverage of the hearing or meeting at the current state of the art of television coverage.

(h) In the allocation of the number of still photographers permitted by the Chairman or subcommittee chairman in a hearing or meeting room, preference shall be given to photographers from Associated Press Photos, United Press International News pictures, and Reuters. If requests are made by more of the media than will be permitted by the Chairman or subcommittee chairman for coverage of the hearing or meeting by still photography, that coverage shall be made on the basis of a fair and equitable pool arrangement devised by the Standing Committee of Press Photographers.

(i) Photographers shall not position themselves, at any time during the course of the hearing or meeting, between the witness table and the Members of the Committee or its subcommittees.

(j) Photographers shall not place themselves in positions which obstruct unnecessarily the coverage of the hearing by the other media.

(k) Personnel providing coverage by the television and radio media shall be then currently accredited to the Radio and Television Correspondents' Galleries.
